

Wicker wall sconce "Berlam".

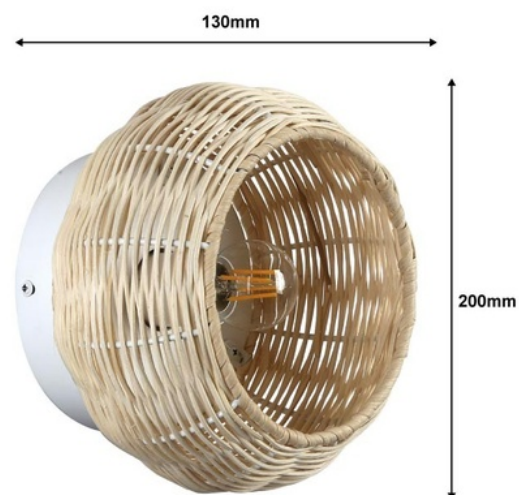

Ref. LM168

Wall sconces are decorative elements that can also illuminate indirectly, creating cozy and warm spaces, providing a sense of well-being. Our wicker wall sconce will be the right piece to add a natural and subtle touch to an interior space. A wall lamp with a timeless and modern design. An accessory with which you will enjoy elegant and sophisticated decorative lighting. This sconce requires a bulb with an E27 socket, which is not included. It has a MAX. power of 40w, with a voltage of 220-240V/AC and a frequency of 50HZ. We recommend cleaning it with a dry cloth and avoiding the use of chemical products.
