

Surface Kit RC065Z SMB 60x60 Philips

Ref. 36272499

Philips RC065Z Surface Mount Kit 60x60cm. It is a product designed to convert 60x60 recessed LED panels into surface-mounted panels with complete ease. Made from high-quality aluminum, perfect for locations where recessed installation is not possible and for temporary installations. Includes all the accessories for mounting and securing to the ceiling.
