

"NOAH" wall sconce with LED reading light - 3.4W

The wall sconce "NOAH" is specially designed to be installed on headboards. It features an elegant fabric shade and incorporates a swivel LED bulb with a power of 3.4W that functions as a reading lamp. In this way, it allows you to choose between the general illumination of the shade or the focused light from its LED bulb using two independent switches. Its structure is made of metal with a high-quality epoxy paint finish and is available in white. The screen supports an E27 bulb (not included). The LED spotlight emits light in a warm white tone (3000K). **E27 bulb not included**
