

## Wall light LED "ETSO-1200" 120cm 24W

Wall sconces with "UP&DOWN" LED lighting that shines up and down. Made from high-quality aluminum in various finishes, meticulously crafted down to the smallest detail. Perfect wall sconce for installation in restaurants, hotels, hallways, dining rooms, living rooms, cafés, etc. The "Etso-1200" wall sconce has a length of 1200mm and a width of 105mm. The LED wall sconce projects a warm light of 3000°K towards the wall, creating a pleasant effect for the eyes. Designed with SMD2835 chip, one of the best chips with a power of 24W and a high luminous intensity of 1874 lumens. Optimal color reproduction (CRI>85). Comes with all the elements to carry out an easy installation on the wall of any interior.
