

Design pendant lamp "Nebula" - 9x6W

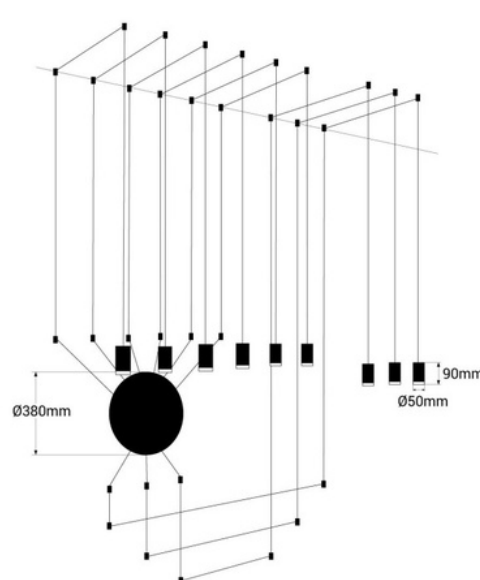

Ref. LN4029-9-N

The "Nebula" pendant lamp is a combination of innovative design and technical functionality. With 9 LED lights of 6W each and a high-quality KeGu driver, it provides highly efficient lighting in warm white tone (2800K). Its structure of fine cables and decentralizing hooks allows for the customization of its arrangement and shape. Versatile and modern, it provides the possibility to create graphic lighting installations with a conceptual character, highlighting the space in an elegant and contemporary way.
