

Side cover for aluminum profile 80x50mm for steps (1pc)

Lateral Covers for 80x50 aluminum profile special for stair treads and steps, for a professional finish of your LED strip installation. You can choose between : - COVER WITH HOLE: It is installed at the beginning of the profile. It has a hole through which to pass the installation wiring. - END CAP: It is placed at the end of the profile when you finish the installation. This way, everything is closed off and you protect the strip.
