

Rustic wooden wall light "MILA".

Rustic and vintage design wall sconces that combine solid light wood with an aluminum base, creating a robust, eye-catching, and elegant appearance. Exclusive for indoor use, with an IP20 protection rating. Featuring a geometric design and a perfect minimalist retro style for any home or business. Widely used in the decoration of hallways, bedrooms, staircases, living rooms, restaurants, study rooms, cafés, hotels, etc. The wall sconce features a flexible cord that allows you to customize the height by wrapping it around the wooden cylindrical structure, with a maximum height of 15cm. It integrates an E27 socket, the bulb is not included. We recommend using filament or Edison bulbs to complete the retro style of the lamp.
