

LED tube T8 special butcher's shop 120cm 18W

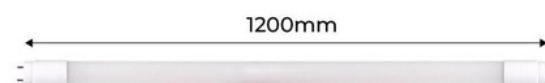

Ref. B4015-120-CAR

LED Tube T8 120cm for Butcher Shops. 1200mm LED nano tube with a power of 18W. Pink/red light to enhance the colors of meat products. Thanks to its lighting, we can highlight the freshness of the meat, making it more succulent for the customer and increasing your sales. Lightweight and safe solution made of high-quality nano plastic and ABS. Perfect for installation as butcher shop lighting, supermarkets, and large retail spaces. The LED tube with pink light enhances the color of the meat, giving it a fresh appearance and showcasing the product in a more appealing way. The high color rendering index displays the true color naturally. For meat lighting, LED fixtures are specially designed to enhance color and highlight the freshness of the product. This range of LED lamps is perfect for butcher shops, rodizios, gourmet stores, and other businesses.
