

LED recessed spotlight with zoom - Adjustable - Cree Chip - 2700K - 3W

Recessed LED spotlight with zoom of small dimensions, easily integrable into any lighting project that requires accent or highlight lighting. It is totally adjustable to direct the light to the desired point. In addition, it features a zoom that allows the light beam angle to be adjusted from 10° to 60°, according to needs. Includes Cree COB LED chips of the highest quality, a driver, and a base for recessed installation in ceilings or walls. It emits a warm white light (2700K), with a power of 3W and a brightness of 200 lumens. Made of matte-finished coated aluminum, it is available in white or black.
