

Linear pendant lamp "NICK" - 22W

Ref. L3075-N

"NICK" is a large suspension lamp with a modern and refined appearance. It incorporates an integrated LED light fixture with a warm white tone (2700K), with a power of 22W, and features a high light diffusion diffuser that allows for , thus avoiding glare. Its aluminum structure in black color and its simple and minimalist lines make it a unique object that adds elegance and sobriety to the environment. In addition, its height adjustable up to 1.3 m provides great versatility to adapt to different spaces. It is ideal for placing on the dining room table, living room, or kitchen, although it is also suitable for other environments such as desks or offices.
