

Kit of 3 Nordic pendant lamps "SOLVANG - HELGA - KOLDING".

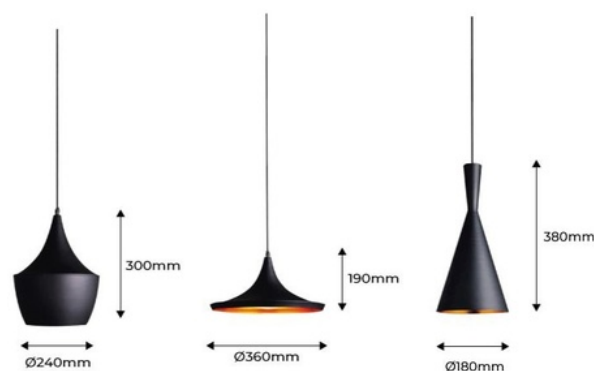

Set of 3 Nordic hanging lamps "SOLVANG - HELGA - KOLDING". Perfect for creating warm and cozy environments, they are 3 lamps with a minimalistic and elegant style. At the moment of turning on the lamps, a golden light will fill the entire room, creating a warm and cozy luminous effect. This brightness is achieved through the golden tones that wash the inside of the lamps, but also through their interior texture, which reminds us of the honeycomb of a swarm of bees.
