CINEMA" single-phase adjustable track spotlight with LED PAR30 E27 Bulb

Monophase adjustable track spotlight "CINEMA" with LED PAR30 E27 bulb. This spotlight is fully adjustable to highlight the objects you like the most or to focus light on a specific area. It has a black finish and an industrial style, and its shape is similar to that of old stage lights, making it perfect for creating retro atmospheres. This spotlight is adjustable and swivel thanks to its 4 outer caps, allowing us to play with light effects by putting together or separating the caps for decorative purposes. Includes PAR30 LED bulb, This PAR30 LED bulb is designed to replace E27 base halogen bulbs. These bulbs are the latest generation and feature advanced technology (Osram chip) that provides excellent illumination never seen before in LED fixtures while minimizing consumption. Orientable single-phase track spotlight "CINEMA" + LED PAR30 Bulb"
