

Magnetic track 48V + suspension kit - 2 meters

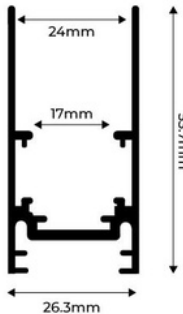

Our 20 mm surface magnetic track is made of high-quality aluminum and is available in white and black. It allows for the easy placement of magnetic LED spotlights, according to the needs of each project. With the suspension kit, it is possible to install this rail in a suspended manner from the ceiling, allowing you to adjust the height to the desired level. The pack includes: ✓ A 2 m long magnetic rail ✓ 2 steel cables of 1.5 m in length (adjustable in height) ✓ 2 rail hooks ✓ 2 ceiling hooks ✓ Aluminum cover to cover the free surface between fixtures ✓ 2 end caps ✓ All necessary accessories for installation
