

E27 socket with PVC cable, switch and plug

Bulb holders E27 with PVC cable, switch, and plug for hanging lamps. Versatile and easily adaptable to different decorative styles, perfect for customizing any space by choosing the desired shade. The cable is 3.38 m long and is adjustable using two wall-mounted clips that allow for a personalized installation and adjustment. In its design, it incorporates a switch and a standard Schuko type outlet at its end. The socket is compatible with any E27 bulb with a maximum of 60W. ** Available in black and white - Includes 2 mounting staples with screws**
