

L connector for 20mm surface magnetic tracks - Vertical

Our L-shaped union allows for connecting two sections of surface magnetic track at a 90° angle, vertically. In this way, a track installed on the wall can be connected with a track installed on the ceiling, resulting in a wide variety of possible configurations. Its assembly is very simple and includes all the necessary elements for it. Available in black and white. ** Does not include electrical connector **

Product data

Housing color	White (use), Black (use)
Certs	CE, ROHS
Dimensions (mm) LxWxH	93 x 52 x 25
Guarantee	3 years
IP	IP20
Material	Aluminum
Track Type	Magnetic
Outdoor Use	No
