

LED Bathroom Mirror Wall Light - 30cm - 5W | Mirror and cabinet mounting

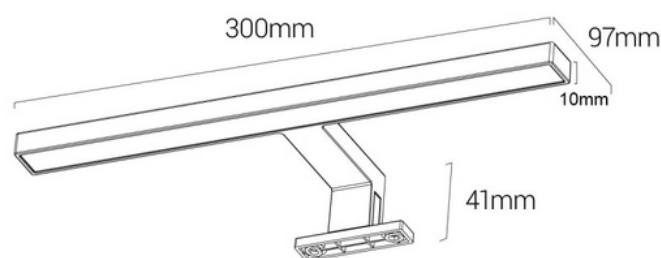

Ref. LE204-N-BN

Bathroom fixture with a modern design and compact size, in matte black color. It allows for two installation methods: it can be recessed into the mirror or mounted onto the bathroom furniture with screws. It has a luminous power of 5W, a CRI >80, and an IP44 protection rating, ensuring its durability in highly humid environments, and it is even splash-resistant. It is available in neutral white tone (4000K).
