

Aluminum corner profile for LED strip with diffuser - 4 clamps - 2 covers - 16x16mm - 2 meters

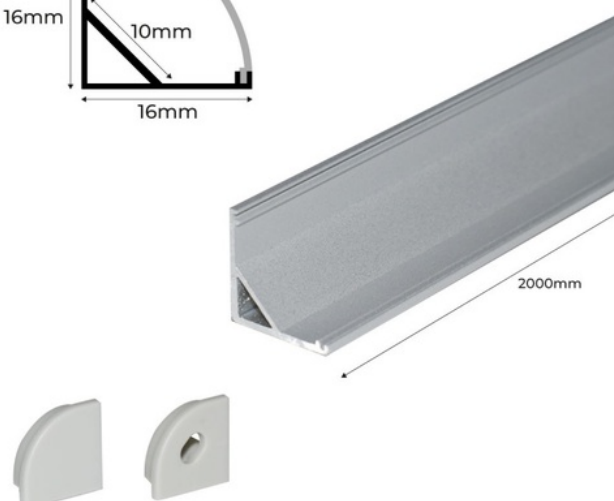

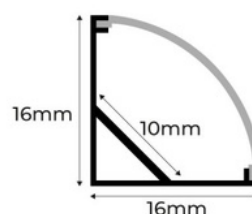

Ref. KPERF16X16-P

The aluminum corner profile offers a versatile, modern, and functional lighting solution for different applications where it is desired to hide the LED strip. It features a silver finish and a white opal diffuser that allows for uniform lighting at a 45° angle. Allows the installation of LED strips ≤ 10 mm, and it's ideal for placing in corners of ceilings, walls, shelves, kitchens, or under furniture. ** Includes white opal diffuser, 4 metal staples, and 2 caps (with and without hole) **
