## LED spotlight for magnetic rail with Zoom 10-55° - 48V - 12W

The LED Spotlight for magnetic track is a state-of-the-art luminaire with a modern design. With a power of 12W, it emits a high-quality light in warm white tone (2700K). It has a 90° vertical tilt angle to direct the light as desired. With a high color rendering index (CRI>90), it displays colors with high fidelity. In addition, it features zoom, allowing the angle of light opening to be adjusted from 10° to 55°.

### Product data
