

LED spotlight for magnetic rail with Zoom 10-55° - 48V - 25W

The LED Spotlight for magnetic track is a state-of-the-art luminaire with a modern design. With a power of 25W, it emits high-quality light in a warm white (2700K) tone. It has a 90° vertical tilt angle to direct light as desired. With a high color rendering index (CRI>90), it displays colors with high fidelity. Additionally, it includes zoom, allowing you to adjust the light beam angle from 10° to 55°.
