

Power supply ultra slim 24V - 72W - IP20

Ref. SSL-72-24

Ultra-slim 72W high-efficiency power supply. It is designed to power LED lights with a voltage of 24V and a maximum of 3A. Due to its slim design, just 2.2cm in height, it is particularly useful when the space to install a fountain is limited. It's perfect for advertising light boxes or lightboxes, signage, and linear luminaires.
