

Shapeable spotlight for 1-phase track - 10W - 20°-35°

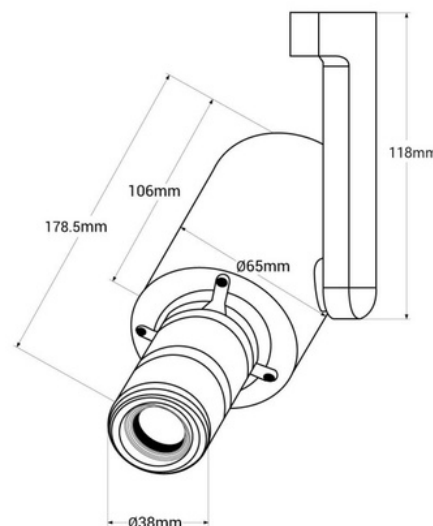

Ref. B00560-MON-N-BC

The 10W shapeable single-phase track projector is an innovative solution for highlighting artwork in museums, art galleries, and other spaces. With integrated blades and focus zoom, it allows you to project geometric shapes and control the sharpness of the contours in frames and artistic works. Offers both vertical and horizontal rotation.
