DMX touch control panel - 4 zones - CCT

Ref. SK-T12

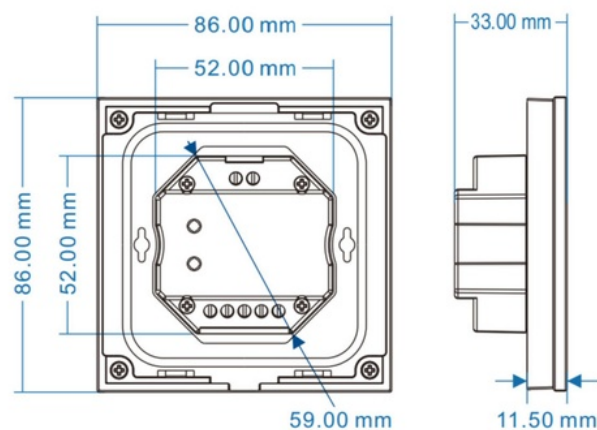

The 4-zone recessed DMX touch control panel provides complete lighting control for 100-240V CCT LED fixtures. It can function as a DMX512 master or as a RF remote control. Its elegant high-sensitivity glass touch interface features a color wheel for precise adjustments, along with touch keys with LED indicators. It allows for adjustments to brightness, saturation, speed in scenes, and dynamic modes, etc.
