

Configurable lamp "Axia 6" - Three 12W globe lamps + Conductive fabric strip + accessories

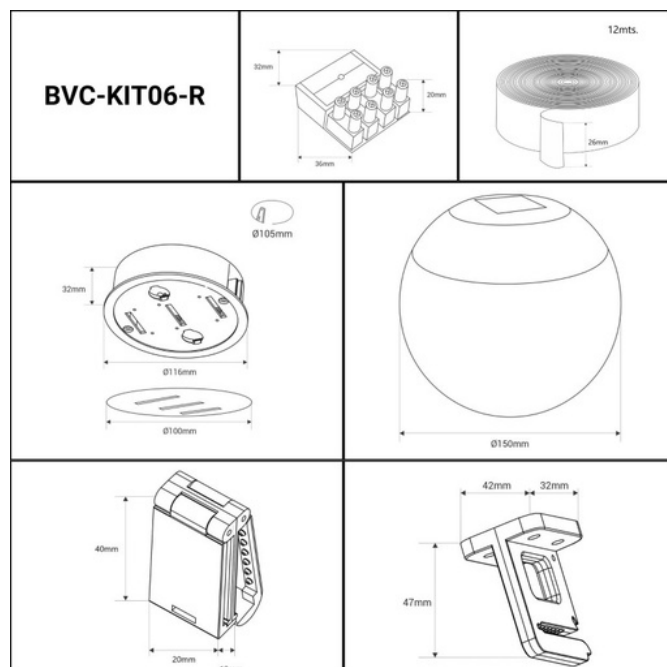

Ref. BVC-KIT06-R

Axia is an innovative lighting system that integrates a conductive textile strap, offering the freedom to place fixtures anywhere and create customized configurations. The KIT includes three LED ball lamps in opal polycarbonate + textile strap in brick color + installation accessories. With 12W of power each, the lamps provide warm lighting (2700K), perfect for creating cozy environments. Reimagine your spaces with Axia, a new way of interacting between space, material, and light. ** WORKS AT 48V - POWER SUPPLY NOT INCLUDED**
