

Nordic LED pendant lamp "RIPLEY" CCT - 44W

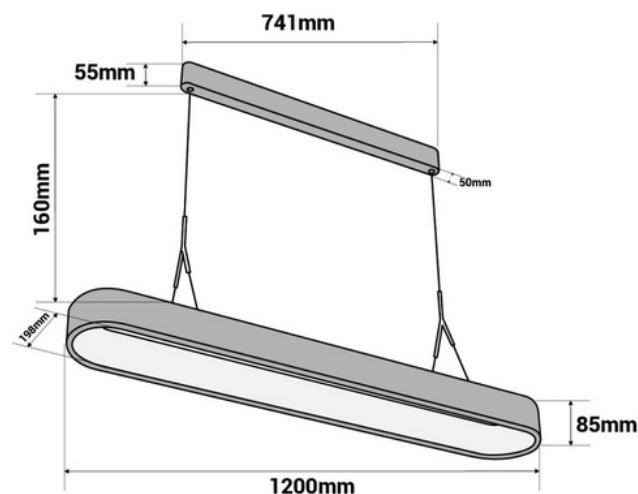

Ref. LN1604-CCT

Modern design suspended linear lamp in large dimensions, ideal for illuminating spacious areas while bringing sobriety and elegance to the environment. It incorporates an integrated LED luminaire with a power of 44W, and its high light diffusion diffuser allows for uniform lighting, thus avoiding any type of glare. Its CCT system allows you to choose between two types of light: warm (3000K) and neutral (4000K), adapting to the needs of each environment or time of day. Additionally, its height is adjustable up to 1.3 m, which gives it great versatility.
