

Panel LED "SMART Blue Skylight" - Efecto cielo - Daylight - 1600W - 130x78cm - "window"

Ref. B5228-BS-WINDOW-S

Panel "SMART Blue Skylight" 60x30cm, with advanced technology capable of imitating sunlight with great precision. Through the TUYA app, it can be programmed to simulate the light tones that occur throughout the day, from sunrise to sunset, thus accompanying the circadian rhythm. It is a product designed specifically for offices, public facilities, underground spaces, and other environments where natural light is limited or unavailable. It allows for the recreation of a bright blue sky, establishing a connection with the outside, and thereby increasing the comfort and well-being of the users.
