

Installation diagram

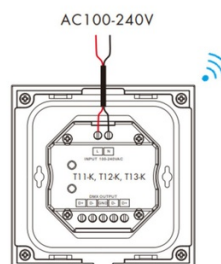

DMX rotary controller - 1 zone - RGB

Ref. SK-T13-K

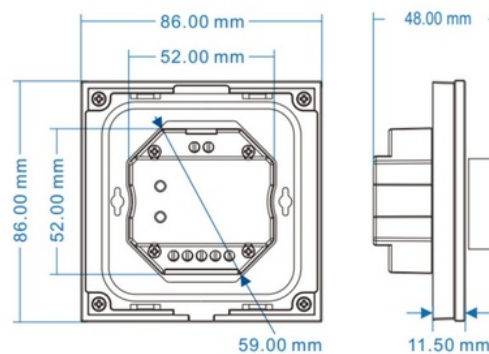

De 1-Zon Intern Kontrollpanel bitt komplett Liichtkontroll fir 100-240V RGB LED Fixtures. Et kann als DMX512 Master oder als RF Remote Control fonctionnéieren. Inspiréiert duerch seng elegant Glasoberfläche, huet et e Rad, dat d'genee Astellung vun der Faarf an der Hellegkeet erméiglecht.
