

## LED trak 12V-DC 72W širina 5mm multicolor RGB IP20 (SMD3535 72ch/m) Rolo 5 metrov

### Ref. B1547-5-IP20

LED trak z visoko svetlostjo RGB, 12VDC 72W na 5-metrskem kolutu. SMD3535 72W (14.4W/m) 12V enosmerna napetost VISOKI Sijaj IP20 120 stopinj Širina PCB 5 mm

### Product data

|                    |                               |
|--------------------|-------------------------------|
| Širina steze (mm)  | 5                             |
| Kot odprtosti (°)  | 120                           |
| Potrdila           | CE, ROHS                      |
| Garancija          | Po zakonski garanciji: 3 leta |
| IP                 | IP20                          |
| Moč (W)            | 72                            |
| Nomin Spannung (V) | 12V DC                        |
| Vrsta LED          | SMD 3535                      |
