

Side Covers Surface Profile 17x15mm (1pc)

Lateral lock for 17x15 mm extruded aluminium profile. You can choose between: - KAP MED HÅL: It is installed at the beginning of the profile. It has a hole through which the installation cable passes. - AVSLUTNING: It is placed at the end of the profile when you have finished the installation. In this way, everything is closed and you protect the list. For correct installation of the profile, you must buy one of each.
